General Notes

1. Fair presentation of the risk

The **insured** must make a fair presentation of the risk to the **insurer** at inception, renewal and variation of the **insured's** policy. This means that the **insured** must tell the **insurer** about all facts and circumstances which may be material to the risks covered by the policy in a clear and accessible manner and that the **insured** must not misrepresent any material facts. A material fact is one which would influence the acceptance or assessment of the risk. If the insured has any doubt about facts considered material, it is in the insured's interest to disclose them to the insurer.

Please check that all of the information recorded in this document is correct. If there are any inaccuracies or omissions, please inform the **insurer** immediately. Failure to make a fair presentation of the risk could result in the policy being avoided, written on different terms and/or a higher premium being charged, depending on the circumstances surrounding the failure to present the risk fairly.

2. Cancellation

All insurance policies run for a fixed period. The **insured** can terminate an insurance contract verbally or in writing at any time. No refunds are due for any unused period of cover outside of the 'cooling-off period' for customers or following initiation for organisations and businesses.

The **insurer** may cancel the policy by giving 30 days' notice in writing. In such an event the insured will be entitled to a return of premium in respect of the unexpired portion of the period of insurance.

3. Bonus and fee structure

Employees and businesses who carry out work for ZIC UK are remunerated in various different ways for selling insurance contracts. Employees receive a basic salary and also receive a bonus based on a number of factors, including the achievement of sales and quality targets. Businesses which work for the **insurer** on an outsourced basis receive a fee and also additional payments based on a number of factors, including the achievement of sales and quality targets.
